Dear Parents/Carers,

Thank you very much for all your generous sponsorship donations. We are delighted to tell you that we have raised enough money to purchase some wonderful new Maths resources for the children to use, including some large foam shapes which will be fantastic for developing the children's Mathematical language, spacial awareness and shape knowledge. We are also going to purchase some Numicon resources which build a deep understanding of number through a multi-sensory approach, developing children's fluency, reasoning and problem solving.

The children all thoroughly enjoyed their Maths inspired obstacle course and were fabulous at supporting each other. All children were very motivated and eager to have a go at all the challenges, with some great Active Maths learning taking place during the fun.

With thanks for your on-going support,

Mrs Benson and the EYFS Team

Numican
