

Homework at Great Gaddesden CofE School (VA)

Term:	Summer 1, 2018	Year Group:	1
--------------	-----------------------	--------------------	----------

At Great Gaddesden CofE School, we provide homework for three reasons:

- i) To reinforce learning that takes place in school.
- ii) To give children further opportunities to develop their love of learning.
- iii) To prepare children for the next stage in their learning, at secondary school, when the volume of homework significantly increases.

Reading: Children should spend at least 5-10 minutes a day reading to/with an adult. Please write in your child's reading record whenever you hear them read.

- Homework books should be handed in every Monday (unless specified otherwise) and will be returned on Wednesdays.
- If homework is not completed, children will be expected to stay in, either at break or lunch-time, to complete it.
