

Toys Homework Grid

Write a story
about your toys
coming to life.
Think 'Toy Story'!

Design your own
toy. Include a
labelled drawing
showing what
materials you
would use.

Bring in your
favourite toy to
show the class.
What are you
going to tell us
about it?

Research a
Victorian toy. What
is it called? How
was it played with?

Use junk modelling
to design and
make your own
3D toy.

Find out about a
popular toy that
children play with
in another country.
What is it? How is
it played?

Create a toy shop
at home! Give your
toys prices under
20p and buy them
using the correct
coins or practise
giving change.

Think of an idea
for a new toy and
create a poster or
advert for it. Make
it eye-catching!

Create a timeline
and use it to place
at least 3 toys from
different decades.

Choose one of
your favourite
stories and design
a new front cover
for the book.

Write a riddle with
clues for a toy you
have at home.

**Please
complete 3
tasks. Return
the week
beginning:
10.10.22**
