

## History – Castles

- Look back at all of your learning on castles – the parts of a castle and their purpose, Motte and Bailey castles, British monarchs, Queen Victoria etc. – and remind yourself of everything you have learnt.
- You are going to write your own quiz all about our Castles topic. You need to think of at least five questions based on our learning and you can use any question types.
- If you send your quizzes to me I will answer them!
