At Great Gaddesden CofE School, we provide homework for three reasons:

- i) To reinforce learning that takes place in school.
- ii) To give children further opportunities to develop their love of learning.
- iii) To prepare children for the next stage in their learning, at secondary school, when the volume of homework significantly increases.

Children have three activities to complete each week:

Spelling: Please see your child's **Look, Cover, Write, Check** sheet for their spellings this week. Please ensure they spend time **each day** completing a column of this week's spelling words, as well as their letter formation and handwriting.

My Maths: Our topics this half-term include fractions, money, time, measure and problem solving. Please encourage your child to access these topics on My Maths.

Reading: Children should spend at least 5-10 minutes a day reading to/with an adult. Please write in your child's reading record whenever you hear them read.

- Homework books should be handed in every Monday (unless specified otherwise) and will be returned on Wednesdays.
- If homework is not completed, children may be expected to stay in, either at break or lunch-time, to complete it.
